Dear Australia Wide

I would like the opportunity to introduce myself to training team and offer my interest in a franchise opportunity.

I am currently employed as a medic with the Australian Defense Force Army I have been with them for 8 years and in that time I have deployed to East Timor for eight months and Afghanistan for six months.

Both times I was employed as the company medic which provided first aid training and medical support.

In East Timor I was employed as a company medic and AME and road evac tasks. In Afghanistan I was employed as a company medic and taught first aid to the Afghan security forces and Afghan national army. I also treated critical ill patients with life threatening injuries from the Afghan army and Afghan public.

I was awarded in both deployments commendations for medical work I had done.

On my discharge I will be starting a cert IV in training and assessing.

Relocating to Caloundra Sunshine coast QLD.

Sincerely yours,

Leonard Bigler
